Job Title: Frostig Trainee - Every Child Can Learn

Location: Gulu and Kitgum Districts, Northern Uganda

Reports to: Project Coordinator

Contract Type: 12 months (not renewable), starting 1st December 2025

Application Deadline: 13th November 2025

Open to: Recent graduates in education-related courses (Ugandan nationals)

Number of positions: 2

About Backup Uganda

Backup Uganda is an education-based NGO committed to promoting and providing individual attention for pupils and students in Uganda, particularly those who experience learning difficulties. Since 2016, we have been working with schools, teachers, parents, and local leaders to promote inclusive education practices across Northern Uganda.

About Every Child Can Learn

From 2026-2028, Backup Uganda will be implementing the Every Child Can Learn project in Omoro, Kitgum and Nwoya. The project's aim is to make a significant contribution to high-quality, inclusive education for all children in Uganda through a sustainable, inclusive support system for primary school learners. The Backup team will do this by:

- Strengthening teachers', administrators', parents' and caregivers' capacity of early identification and individualized management of learning difficulties & disabilities among learners at 30 primary schools;
- Strengthening district/city/municipality/town council education and health officials' and health facilities representatives' capacity for referral and specialist assistance for learners experiencing learning difficulties & disabilities;
- Inclusive learning and social environments, created and sustained by learners.

Position Summary

The **Frostig Trainee** will be responsible for advancing inclusive education by building the capacity of educators, parents, and organizations to support learners with learning difficulties and disabilities better. You will conduct trainings and mentorship sessions,

raise community awareness, and help NGOs incorporate inclusive approaches into their work. Additionally, you will contribute to the design, organization, and evaluation of workshops and training programs, ensuring their effectiveness and long-term impact.

Key Responsibilities

- Training and mentoring teachers, student teachers, Teacher Training Institute tutors and local education and health representatives in identifying, supporting, and referring learners with learning difficulties and disabilities.
- Raising awareness among parents and communities about individual learning differences.
- Supporting NGO workers to integrate inclusive practices into their programs and projects.
- Assisting in the design and organization of training and workshops.
- Participating in monitoring and evaluation (M&E) activities for all trainings and workshops conducted.

Qualifications and Experience

- A Bachelor's degree in Education or Special Needs/Inclusive Education (completed after January 2025) from a Ugandan university.
- Additional training or experience in facilitating trainings and workshops is an added advantage.
- Proven proficiency in computer skills.
- Fluency in spoken and written English (knowledge of Luo is an added advantage but not required).
- A strong passion for inclusive education and commitment to child-centered learning.
- A high level of integrity, professionalism, and team work.

Personal Attributes

- Passionate about inclusive education and child development.
- Self-driven, proactive, and adaptable to field conditions.
